

Subject: Presentation of **LAGOS Capital Group** - Procurement, Transport and Logistics Company

Dear sirs,

We hope this letter finds you well. We are pleased to present **LAGOS Capital & Logística Lda**, a Mozambican company specialized in the transport, logistics and customs freight forwarding sector, with a solid reputation and extensive experience in the market.

LAGOS Capital & Logística Lda was founded with the vision of offering efficient and high-quality transport solutions, always seeking to exceed our customers' expectations. We have a highly qualified and dedicated team, as well as an extensive fleet of modern vehicles and equipment, which allows us to meet the most diverse demands with agility and safety.

Our main services include:

1. **Procurement and Supply:** We procure various materials and supply equipment, ensuring the acquisition of products and equipment that meet the highest standards of quality and compliance.
2. **Cargo Transport:** We offer road, sea and air transport services for a variety of goods, ensuring punctual and safe delivery throughout national and international territory.
3. **Integrated Logistics:** We plan and execute personalized logistics strategies, optimizing our clients' supply chain to reduce costs and increase operational efficiency.
4. **Customs Clearance:** We have a team specialized in customs issues, ensuring the correct clearance of goods and compliance with all legal requirements.
5. **Storage and Distribution:** We have modern storage facilities, ensuring the safety and conservation of goods, as well as an agile and reliable distribution service.

We believe that the partnership between **LAGOS Capital & Logística Lda** and Your Honor's Company will be highly advantageous for both companies. Our expertise in cargo transportation and logistics services will allow us to offer tailor-made solutions to the client's specific needs.

With more than 5 years in the market, we are fully committed to providing excellence at each stage of our collaboration, focusing on personalized service, transparency in operations and commitment to established deadlines.

It would be an honor to schedule a meeting to discuss in more detail how LAGOS Capital & Logística Lda can add value to your business. We are available to present commercial proposals and answer any questions that may arise.

We thank you in advance for your attention and look forward to the opportunity to contribute to your success.

Yours sincerely,
